Program Details

**PROGRAM FOR ALL AGES (birth - 6 years old)**

**Family Time:** This is an interactive program for parents, caregivers and their children. Come spend quality time with one another and play in our main room, which has different play stations available for all to use.

**Music Makers:** This is an interactive program for parents, caregivers and their children. This program focuses on music and movement, and promotes speech and language development.

**Together Time:** This is an interactive program for parents, caregivers and their children. Staff provide learning activities, such as creative arts, sensory table and music circle, as well as information regarding child development, community resources and much more.

**Friends at Play:** This is an interactive program for parents, caregivers and their children. This play based program allows children to engage in different hands on activities.

**Behavior & Positive Discipline:**

Areas of screening include: access to government services, immunization, child development, communication and literacy, and much more. Parents will receive information on why children misbehave and learn positive discipline strategies to help parents handle misbehavior.

**Music Makers:** This is an interactive program for parents, caregivers and their children. Staff will introduce nursery rhymes, songs and finger plays to promote speech and language development.

**ADULT PROGRAMS, WORKSHOPS & SERVICES**

- **ADULT PROGRAMS:** Requires parents/caregivers to register 30 minutes before the program starts. Space is limited. Program acceptance may be subject to change at the facilitator's discretion.
- **WORKSHOPS & SERVICES:** Requires parents to enroll for programs during registration week. Only children accepted into the program may attend. Program acceptance may be subject to change at the facilitator’s discretion.

**PROGRAM FOR SPECIFIC AGES**

**DROP-IN PROGRAM**

- **Baby Music (birth - 18 months):** This is an interactive program for parents, caregivers and their children. Staff will introduce nursery rhymes, songs and finger plays to promote speech and language development.

- **Cognitive Toddlers (24 - 36 months):** This is an interactive program for parents/caregivers and their children. This program focuses on providing opportunities to learn through play and promotes cognitive, language and social development.

- **Babies in Playland (birth - 18 months):** This is an interactive program where parents or caregivers will have an opportunity to engage socially with one another while their babies play. Baby toys and sensory activities will be provided along with songs and finger plays to stimulate and enhance your baby's development.

**PARTLY REGISTERED PROGRAM**

- **Fun with Letters (2.7 - 4 years old):** This program is an interactive partly registered program for parents/caregivers and their children. Children will focus on letter and sound recognition skills through various activities, such as stories, songs, creative arts and sensory activities.

- **Science Smart (5 - 6 years old):** This is an interactive partly registered program for children and their parents/guardians/caregivers which aims to develop their cognitive skills using basic topics and concepts in science. Children will take part in interactive demonstrations, carry out simple experiments and participate in group activities/games to arrive at known conclusions.

- **Siblings Club (2 - 6 years old):** This is an independent program for children who have a younger siblings attending Baby Music. Children will enjoy a variety of activities including creative arts, sensory and circle time.

**REGISTERED PROGRAM**

- **Early Intervention Clinic (BAMAA):** This is an opportunity to meet with a family physician and behavioural therapist to assess any developmental concerns you might have about your child. Assessment pays particular attention to Autism/ASD. There is no age requirement, no fee and you are not required to live in Scarborou. Call to register at Front Desk. For more information, contact the centre staff at Morningside EarlyON Child and Family Centre. Clinics will happen the 2nd and 4th Wednesday of every month.

- **Reading Partnership for Parents:** This program is a 13-week interactive program that provides parents with the tools and resources needed to successfully teach their children aged 4-6, to read. Parents will receive weekly lesson plans to help keep children excited about learning at home while getting the whole family involved.

- **Check It Out Screening Clinic:** This is a free child development, health and well-being screening for children aged 4 and under. Find out how your child is doing. Areas of screening include: access to government services, immunization, child development, communication and literacy, and much more. For more information and to register, please contact Munira Fatehi at (416) 282-7284 or mfatehi@esbgc.ca.
